

Things couples should talk about before they live together/get married/civil partnered

There are 10 questions. You should decide how important these questions are for a couple to discuss before they live together. Draw arrows on the sheet to organise the questions into 3 categories.

1. How will we handle money?
2. Where will we live?
3. Who will tidy up and do the cleaning?
4. Do we want the same thing from sex?
5. Will we have children?
6. Is this a monogamous relationship?
7. How involved will our parents/families be in this relationship?
8. What food do we like?
9. Will we have pets?
10. If we have a problem with each other how will we sort it?
