

Being online: Where do we go?

OUR CLASS SURVEY

We will be talking and learning about being online. To get us started this class survey will help us find out about where we go online and what we do. Then, we can compare what we do with children across the UK.

On a normal school day:

How long do you spend watching TV?

How long do you spend online?

How long do you spend gaming?

On a weekend day (Saturday or Sunday):

How long do you spend watching TV?

How long do you spend online?

How long do you spend gaming?

When you go online what devices do you use? (Tick as many as apply to you)

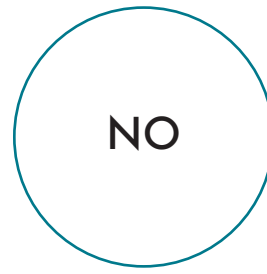

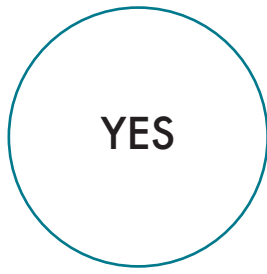

- Phone
- Tablet/iPad
- Laptop
