

# Making choices about sex

Having sex for the first time – what would matter most to me?

In pairs/small groups, prioritise the cards below. Again, imagine you are answering these when you are in/have been in a relationships when you are a bit older. Use the prioritisation diamond, if you find it helpful.

We trust each other

We have strong feelings for each other

We respect each other

We talk about things

We feel happy with each other

We like each other for who we are

We have a laugh

We both know what we want

We have talked about being safe (condoms and/or contraception)
