If I was a parent: Agree, disagree, don't know

Being a parent. Write the number of each statement in the circle where you think it belongs. Do you agree, disagree or 'don't know' when it comes to these statements:

1. Being a parent is easy.
2. Having a baby makes a relationship stronger.
3. Mothers are more important to young babies than fathers.
4. Parents are a child's most important role model.
5. Parenting comes naturally to everyone.
6. Being a parent would be fun.
